Racing came to a thrilling climax at Chennai, India as all medals were confirmed in the finale of the first ASAF Youth Sailing Cup 2016 – 17 Series. Setting out to the race area the sailors were greeted to challenging conditions with North Easterly wind gusting to about 18-20 knots coupled with huge swells.

The day, that started off early, saw two races for all the classes with the Optimist Green Fleet sailing just one within the port, owing to the challenging conditions.

Ramadhan Tito (INA) emerged the winner of the Optimist main fleet. Saranwong Poopat (THA) was favored by the winds again today as he rose to the second position after getting the gun in both the races today resulting in fellow sailor Panwa Boonak (THA) moving down to the third place.

Samsaurdi (INA) who had been on the top of the charts since day one emerged the winner in the Laser 4.7 class followed by Nancy Highfield (HKG). Highfield, who was happy to have bagged the silver in the overall was comfortable sailing in the challenging conditions today “my best races were today , hiking upwind was a little tiring nevertheless I am glad it is over,” she said. Koteswar Rao (IND) replaced Ram Milan Yadav (IND) in the third place, bagging the bronze.

Vishnu Saravanan (IND), who had been leading the Laser Radial since day one got the gun in one of the two races today, thereby sealing his position for the Gold Christopher Bezy (HKG) took the gun in the one race and finished third in another, pushing Rishab Nayar (IND) to the third place thereby taking home the Silver. “It was really nice, the conditions were pretty windy and it was good,” he said delighted to head home, but at the same time having fallen in love with the conditions here.

Dayne Coehlo (IND) had led the RS One fleet from Day One and was the undisputed winner of the class. Having enjoyed the challenging conditions here today, he said “This is my favourite kind of condition and I am a little sad that we had just two races today.”

With very limited entries in the 29er and 420 classes, Indian sailors made the most of it and walked away with majority of the medals.

The event was a huge success thanks to the excellent organizing committee. Despite the challenges faced both at sea and land, the races were all conducted as per schedule and the event went as planned.
